

Step 3

Decide the meaning of three key words from your topic sentence:

Broken boards = broken life, wanting to give up, hard life, misfortune, depression etc.

Darkness = sadness, confusion, despair, loneliness, isolation etc

sunshine = hope, beginning of success, brighter future etc.

Use **red ink** and have these words circled in the middle of **three** separate pages.

BROKEN

BOARDS

DARKNESS

SUNSHINE

Step 4

CLUSTER as many thoughts as possible. Have at least **40** to **50** clusters. Do not judge your clusters, just jot them down. Use red ink for your keys words and black or blue ink for your clusters.
